PRODUCT DESCRIPTION

OVAL, a series of luminaires for special tasks. This type of classic bulkhead luminaires will work wherever the light source requires additional protection and may be exposed to difficult conditions and mechanical damage. Resistant, transparent polycarbonate diffuser, solid polypropylene base and reinforcing metal mesh - ensure durability for a long time. This model features a removable mesh. The high IP44 tightness class protects against increased humidity and dust, and the IK10 mechanical strength class secures against accidental damage to the luminaire. OVAL series is designed for technical rooms, basements, workshops,

garages and parking lots. Suitable for 40W, E27 light sources.
