PRODUCT DESCRIPTION

The FONDI RC is an elegant spotlight frame, ideal for use in a variety of spaces such as the home, office, shop or conference room. Its versatility makes it perfect for both residential settings and commercial interiors.

FONDI RC not only acts as a cover for the light bulb, but also as a decorative element. Its elegant design will perfectly complement a suspended ceiling, adding a modern touch. The round-shaped white housing, decorated with a gold interior, lends a unique style that will blend perfectly into a variety of interior settings.

The frame is suitable for a GU10 or MR16 holder (not included) with a maximum power of 50W. The recessed diameter is between 78–85 mm and the recessed height/depth is 90 mm.

It is made of high quality aluminium, which guarantees durability in use. The IP20 protection level means that it will find its use indoors in dry areas such as the living room, hallway or office.

The FONDI RC frame has a diameter of 90 mm.

Also available in black, white and black-gold.

The offer also includes the FONDI SC decorative frame with a square housing shape.
