

Window and door MINI alarm set, 3 pcs., battery-operated

Marka: **Virone** | Symbol: **AS-3** | Ean: **5908254814921**

PRODUCT DESCRIPTION

This alarming device allows you to protect doors or windows against uncontrolled opening. Even a slight gap between the two elements triggers a sound alarm that deters the burglar, and informs about the break-in at the same time. The product is equipped with an integrated siren with a volume of 90 dB. This mini alarm is turned on with a switch and can be mounted with an adhesive tape.
