

Corridor LED night lamp with motion and twilight sensor 0.2W/3W, 200lm

Marka: **Virone** | Symbol: **LA-4** | Ean: **5908254815843**

ViRONE

PRODUCT DESCRIPTION

LED lamp with a motion sensor, designed to provide light inside living rooms, corridors, kitchens, etc. The built-in twilight sensor activates the lamp automatically at reduced daylight (below 4lux) and it shines with continuous light (0.2W). When motion is detected the lamp brightens to 100% power (3W).

TECHNICAL DATA

General information:

Rated power:	3 W
Light source:	LED SMD
Twilight sensor:	Yes
Colour temperature:	3000K
Battery included:	No
Motion sensor:	Yes
Dimensions - width:	71 mm
Hold time:	40 sec.
Brightness adjustment:	No
Dimensions - height:	73 mm
Detection range:	3 m
Nominal voltage:	230V~, 50Hz
