Heavy-duty extension socket, rubber, IP44, 4 schuko sockets, flame-resistant casing

Heavy-duty extension socket of ingress protection level IP44. It has four 2P+Z (Schuko type) sockets with rubber, sealed cover protecting it against water splashes, dust and dirt. The device is equipped with a hang hole that serves for hanging it in a safe place. It also has four screw holes that enable mounting it in a fixed location. Cable connections are hidden under a plastic removable case. The device has a built-in, rubber cable gland. This extension socket has a very low 5cm profile.

Current:
16A

Number of sockets:
4

Type of socket:
2P+E

Standard of the socket:
schuko (type F)

Degree of protection (IP):
44

Other features:
