Pop up Ø6cm desk socket with 1.8m cable and locking system, 3x2P+E (Schuko), black

A set of three sockets 2P+E, with Schuko grounding and current circuit protection, built into a retractable housing. The set provides access to additional electrical outlets. It has a pop-up panel with sockets, an additional lock and 1.8m cable. Designed for indoor installation in desks, table tops and office furniture. To install the device in a table top, only one hole of 6 cm diameter is needed. This product is made of plastic and black-painted metal.
