EAN CODE: 5902560324082

Alarm bell

Electromechanical bell Robust metal construction with painted, steel bowl.

Type:
electromechanical

Nominal voltage:
230V~, 50Hz

Doorbell volume (db):
90dB

Installation:
surface mounting

Degree of protection (IP):
44

General information

Type: electromechanical

Nominal voltage: 230V~, 50Hz

Doorbell volume (db): 90 dB

Type of transmission: wired

Type of power supply: directly to 230V

Colour: red

Installation: surface mounting

Degree of protection (IP): 44

Dimensions - depth: 58 mm

Loudness control: no

Other features: red-lacquered steel housing
