EAN CODE: 5908254808111

Insulated twin cable end terminal, max. section 6mm², copper sleeve length: 14mm, 100 pcs.

Twin cable, insulated end terminals that can be clenched on ends of a pair of cables. They help to join ends of a pair of cables in a neat and fixed manner. Thanks to the use of an end terminal, stranded wires can be entered to push-in connectors and they help to increase the quality of screw connection. Our offer includes insulated end terminals of many different max. section parameters and different sleeve lengths.

Contacts material:
Copper (100%) Tinned

Terminal length:
14

Compliance with standards:
EN 60352-2:2006
