

Modular power supply unit 13.5VDC 1.6A, plug (5.5mm x 2.5mm)

Marka: Orno | Symbol: OR-PSU-1653 | Ean: 5908254814174

ORNO

PRODUCT DESCRIPTION

Modular power supply unit 13.5VDC 1.6A, featuring increased efficiency, can be used as a standard power supply for 13,5V DC electric appliances. It is valued for low energy consumption and high efficiency.

TECHNICAL DATA

General information:

Rated power:	20 W
Output voltage:	13,5 V
Input voltage:	100-240
Degree of protection (IP):	20
Output current:	1.7 A
Installation:	network socket
Dimensions - depth:	28 mm
Dimensions - width:	80 mm
Dimensions - height:	42 mm
