USB optical head for energy meters OR-WE-516, OR-WE-517

Marka: **Orno** | Symbol: **OR-WE-518** | Ean: **5902560329186**

PRODUCT DESCRIPTION

The head enables communication between a PC (Windows) and electricity meters equipped with IR optical ports. A simple application allows you to download data from the meter and program it (including setting tariffs). Baud rate: 300, 600, 1200, 2400, 4800, 96600, 19200 Bit/sec. Operates in accordance with IEC 62056-21 (IEC1107).

TECHNICAL DATA

General information:

Backlight:	No
Colour:	transparent + black
Dimensions - depth:	47 mm
Dimensions - width:	33 mm
Dimensions - height:	22 mm
Material:	plastic
