

Electronic door viewer with integrated motion sensor and 4.3" LCD screen, image and video recording on Micro SD card, menu in 4 languages, remote control via Tuya APP, inbuilt battery

Marka: **ORNO Home** | Symbol: **OR-WIZ-1109** | Ean: **5908254820861**

PRODUCT DESCRIPTION

This video viewer replaces the traditional optical peephole. It allows you to view a person standing directly in front of the door on a 4.3-inch color LCD screen. The device can record video and photo files to a Micro SD memory card, with a maximum capacity of 128GB (card not included). The inbuilt motion sensor increases your

safety level by recording images, after motion has been detected in 2m detection range. The menu of the device is very transparent and can be operated in one of 4 languages: Polish, English, German or Russian. Additionally, the viewer is supported by free TUYA application thanks to which you can view the images and videos remotely on your smartphone (only internet connection is required). IR diodes ensure good-quality image at night or when ambient light is limited. It is a discreet camera that can be mounted in place of a standard optical viewer inside a 14 mm – 35 mm hole. The device is especially helpful for elderly or short people and people with poor eyesight.

TECHNICAL DATA

General information:

Type:	jednorodzinny
With video:	tak
Current supply:	Akumulator
Nominal voltage [V]:	3.7
Battery – type and quantity (receiver):	3500mAh
Type of transmission:	przewodowy
Can be connected to smartphone:	tak
Wi-Fi Frequency:	2.4 GHz
Wi-Fi standard:	802.11 b/g/n
App:	Tuya Smart
Number of indoor stations:	1
Number of outdoor stations:	1
With day/night function:	tak
Range of door thicknesses [mm]:	35 ~ 100
Other features:	Czujnik ruchu

Monitor:

Mounting method indoor station:	Montaż natynkowy
Hands free:	tak
Screen diagonal [inch]:	4,3"

Touch screen:	nie
Property picture system:	Kolor
SD card reader:	tak
Loudness control:	tak
Mutable call tone:	tak
Material indoor station:	Tworzywo sztuczne
Colour indoor station:	Czarno-srebrny
Dimensions of the monitor - Width [mm]:	141
Dimensions of the monitor - Height [mm]:	97
Dimensions of the monitor - Depth [mm]:	22

Outdoor unit:

Number of call buttons:	1
Mounting method outdoor station:	Montaż natynkowy
Camera view angle (vertical):	53 °
Camera view angle (horizontal):	104 °
Night light:	IR
Material outdoor station:	Tworzywo sztuczne
Colour outdoor station:	Czarno-srebrny
Width [mm]:	61
Height [mm]:	61
Depth [mm]:	13
Built-in diameter [mm]:	14 ~ 35
