ORNO

PRODUCT DESCRIPTION

The innovative supply and exhaust ventilation grille allows installation of decorative panels that can be adapted to the interior of the room. The panels are available in many colors, they also differ in the material used for production - they can be made of glass, metal or plexiglass. Depending on the user's preferences, the grille can be configured in such a way that it becomes almost invisible or, on the contrary, it will be exposed. The product is suitable for mounting on a wall or ceiling. There are four mounting holes on its corners.
