ViRONE

PRODUCT DESCRIPTION

A powerful, rechargeable workshop torch, that will precisely illuminate working space not only in your home, but also in a professional workshop. Its slim and compact design enables surface illumination even in the most hard-to-reach work areas. The WL-1 housing is made of ABS, a durable and damage-resistant plastic. The built-in knob allows smooth adjustment of luminous flux intensity. In addition, the torch has been equipped with a battery indicator, as well as a movable base with a strong magnet. There is a built-in hook on the top of the torch that allows hanging it, if needed.
